Note: From the beginnings of the Royal Cambrian Academy it was the custom to invite Presidents from other National Art Academies to be Honorary Members, this resulted in some of the most prestigious names in the British art world of the day gracing the pages of the Royal Cambrian Academy membership register. In the early years some of these artists were even persuaded to exhibit in the Summer Exhibition.

Note 2: This list is not intended to be exhaustive, there are many more Honorary Members on the membership register of the RCA who, over the years, have made a considerable contribution to the success of the Academy.
